# Core Values

*As a growing company shaped by integrity and our purposeful commitment to customers and employees, we use these values to guide our way and focus our daily vision.*

## ***Earn Trust:***

Delight customers, simplify their experience, and surprise them in unanticipated ways.

## ***Get Better Every Day:***

Practice continuous improvement, determined to surpass yesterday, over and over again.

## ***Own and Learn from Mistakes:***

Seek to understand your mistakes, make things right, share what you learned, and move on.

## ***Pursue Ongoing Learning:***

Strive for personal and professional growth through curiosity, exploration, and education.

## ***Build a Positive Team:***

Work collaboratively to create a loyal customer following, and have fun along the way!

## ***Embrace Change:***

Be agile and prepared to adjust to the quickly and inevitably changing healthcare environment.

## ***Be Humble:***

Appreciate your teammates, be yourself, and focus on the goal instead of the spotlight.
